TOTAL ORTHODONTICS

Do you know a child who could benefit from FREE BRACES?

TO Smiles is Total Orthodontics free braces program.

TO Smiles provides free braces to 10 deserving recipients a year.

Recipients receive free braces and, in return, complete a self-designed Pay-It-Forward service project of 40 hours.

In 2013, Dr. Kevin Theroux was awarded the Channel 7 “Everyday Hero Award” for creating this program. Over 100 sets of free braces have already been awarded since 2009, and our historical acceptance rate is approximately 50%.
